With which is incorporated THE CHINA DIRECTORY. This is the THIRTY-SECOND ANNUAL ISSUE. and will be found, as usual, to show an advance

on preceding years both in fillures and accuracy

of information. The DIRECTORY covers the whole of the ports and cities of the Far East, from Pennng to Vladivostock, in which Europeans reside. Not only is the Directory as full and complete n each case as it can be made, but each Colony, Port, or Settlement is prefueed by a DESCRIP. TION, carefully revised each year some of which will serve as accurate Guides for the Tourist, giving every detail in connection with the places,

their History, Topography, &c., &c. The Information afforded in these Descriptions slone would suffice to fill an ordinary volume, consisting of over Fighty highly interesting articles, packed with facts concisely set out, and containing statistics of the TRAGE of each Country and Port.

The work contains Directories and Descrip-

The presence of press reporters at shareholders' meetings in Hongkong is fatal to debate, as apart from other reasons it is not everyone The eighth anniversary of the "Missions to who cares to see himself infprint, With reporters The Journal des Debats publishes, a despatch don, Feb. 2.—To Yokohama: Mr. W. H. Player, shareholders to preserve peace rush at the slips the CHAIRMAN, in the course of his remarks, of paper the Secretary distributes telling them humi left Timbuotoo to reconnectes, and was sursaid there are two ways of regarding temper- what they are to do. Even the election of an prised when asleep. A portion of them succeed, Watt.

through a long course of drinking habits, some say a word for fear of being reported. If you thing has to be do no. Total abstinence is the doubt it look at the anonymous letters the short and easy method and the only cure for this Hongkong newspapers admit when a share On Loudonstate of things. With regard to the other point, bolder has a grievance he dare not bring up at public opinion requires to be educated. There are the Company's meeting that he should become a some who say that they will abstain altogether marked man. I repeat, proceedings at companies' from intoxicating drinks for the sake of their meetings do not concern any but shareholders, weaker brethren. In England 52 total abstain- and for this reason are ignored by news papers ing mayors mot together not long since at a except as advertisements, but in Hongkong the public meeting. Undoubtedly these men are lyranny of the press is utilized by directors for total abstainers for example's sake. There can orush discussion. Lam not discouraged at my be no doubt that each of these gentlemen will first failure, as I think shareholders will inchine exercise an influence and be the means of creat- to my view when they have well considered the

C. S. TAYLOR. Mid Race Sunday, 1894.

FOOCHOW.

10th February. A newly married man, 30 years of age, was

Chinese doctor who attends to those who may wish to free themselves from the vice. It is said that the ouro is effected in six or seven days. .. The Taotai of Amoy is desirous of building some new forts at the entrances of Amoy harbour and has communicated his views as to the desirability of the step to the Viceroy. His Excellency the Vicercy appears to have falled in Brakswith the proposal since a proclamation has been issued by the Grain Commissioner at his request. its association with such names as William's which calls upon the wealthy in the city to con-and Livingstone. And he pointed out how tribute towards the expense of building the forts. A thiof who had entered a bouse in the city on Sunday last and taken a clock of Si5 value from a room in the upper story met the master owing to whisky having been introduced, alus, on the stairs as he was coming down with it. by white mon. He maintained that temperance . Ah !" said the master, " where are you taking was to be used as a means to an end, and not as my clock to?" 'I am the watch-maker," said the ead itself. He recounted an incident which the thief and am taking your clock according to had come under his own personal observation in order to my shop for repairs." "Ah! of course, England a few months ago showing how intem- of course," said the master with a smile, and al-

ing his clock again. A few days before the Chinese New Year a H. & C. Bakery university of Oxford. After admiring the no- collector earrylug a bag with apwards of \$300 in cient buildings, he said that his country could it was returning to his home in the Cheony-Lok | Hongkong Electric. show nothing so great as this; but he asked district when he was set lipon by a gang of how was it, with all our greatness, that Mag- thieves who ran away with his money. He relishmen should be so given to intoxication; on sisted, but they were too powerful for him and landing for the first time on the shores of Eng. left him with severe kuife wounds. Some padland he had come across no less than 16 mon ple hearing his cries for desistance came to. him and finding the prostrate condition he was in sent to his family for a chair in which he was taken home. The wounds, the shock to his systme. not believe their health would suffer for more and the less of the money were too much for the unfortunate man; he died a few hours afterwards. The following story of a clever theft has just reached us. A farmer who had brought two

large buskets of ponitry to market found a oustomor who selected a couple of chickens and who after having them weighed walked off with them. The farmer shouted at him in vain that he had omitted to pay for them, but finding that the sustamer did not stop, he ran after bird leaving his two baskets behind. Coming up to the ranaway, his couple of chickens were flung at him, while the pseudo buyer increased his speed bayond hope of being caught, and there was nothing left for the poor farmer to do than to pick up his two chickens and return to Mininghis baskets. Lo and behold i they had gone, the clever thieves had robbed him.

A native from a village on the other side of the river came across to Nantai on Sunday after. tioon last to make some purchases for the New Year's festivities. At 8 p.m. when he was ready to return he engaged a sampan to convey bim! with his packages coross the river again, and embarked. According to his account be had sourcely got half way across when the Sir. - Your leader of the 23rd Fabruary is an sampan men saized bim and threw him instance of what shareholders brave in speaking overboard, making away with his goods. He at meetings of Companies in which they are in- called in valu for help as there; was no craft torested. I could pass it over if you did not near to render him assistance, but swimming as challenge my statements, but having done so'I best he could be came to a junk anthorsed in the should feel exceedingly obliged if you would per- stream, the erew of which picked him up. He mit me to know something of the procedure parrated the story of his misfertune to the capadopted at shareholders' meetings in London. I tuin, who charitably provided him with a change.
